FORCE ORDER 6700

From: Commanding General
To: Distribution List

Subj: ORDERING PROCEDURES FOR PERSONAL PROTECTIVE SUPPLIES

1. Purpose. To publish the procedures for ordering Personal Protective Supplies.

2. Background. New procedures are required to simplify and expedite the ordering of supplies prior to deployment.

3. Action

a. Units who are scheduled to deploy must order personal protective supplies at least 60 days prior to deployment.

(1) Personal protective supplies include:

- (a) Permethrin
- (b) N, N-Diethyl-m-toluamide (DEET)
- (c) Sunblock
- (d) Lip Balm

(2) These supplies are essential for preventing vector borne diseases and the effects of exposure to the environment.

b. Orders are to be sent to the III MEF (G-4/HSS) for endorsement and will be forwarded to Materiel Readiness Battalion (MRB), 3d Force Service Support Group. Funding data does not have to be provided in the initial order. Once received, the materials will be maintained at MRB. Supplies will be issued when funding data is provided to MRB prior to deployment.

ForO 6700

c. Excess serviceable supply shall be returned to MRB or kept in approved storage areas for the next deployment.

A handwritten signature in black ink, appearing to read "J. L. Booker Sr.", written in a cursive style.

J. L. BOOKER, SR.
